#### **Our Supply Chain**

The fire and security, network & IT supply chain is a managed supply chain via approved vetted suppliers, they are required to populate PRO006-1 approval form and supply relevant documentation which is reviewed at point of approval. Through ongoing assessment, as documentation expires updated copies are requested and orders cannot be raised until valid certification is supplied. Where an 'approved' contractor is not used for a period of 2yrs, they are automatically removed from the approved listing. Should they wish to continue working with GBE converge they must submit a new PRO006-1 application form along with all supporting certifications etc. This includes products as well as sub-contracted labour and agency workers, noting that agency workers will be employed via an approved contractor business rather than direct employment.

## **Supplier Code of Conduct**

GB Electronics Ltd & Converge Technology Ltd and GBE Converge B.V are committed to ensuring that its suppliers adhere to the highest standards of ethics. Suppliers are required to demonstrate that they provide safe working conditions, treat workers with dignity and respect, and act ethically and within the law in their use of labour. Suppliers must demonstrate that there is no slavery or human trafficking in any part of their business where there is a legal requirement (turnover of £36 million or more) and where there is no legal requirement it is considered best practice that suppliers adhere to this Code of Conduct where they do not have their own. GB Electronics Ltd & Converge Technology Ltd and GBE Converge B.V work with suppliers to ensure that they meet the standards of this code of conduct. However, serious violations of GB Electronics Ltd's or Converge Technology Ltd's and GBE Converge B.V supplier code of conduct will lead to the termination of the business relationship.

# **Due Diligence**

As part of its efforts to monitor and reduce the risk of slavery and/or human trafficking occurring within its supply chains, GB Electronics Ltd & Converge Technology Ltd and GBE Converge B.V has adopted the following due diligence procedures when taking on new suppliers, and reviewing its existing suppliers:

- identify and assess the modern slavery and human trafficking risks of each new/existing supplier;
- conduct supplier assessments, with a greater degree of focus on slavery and human trafficking where general risks are identified;
- review on a regular basis all aspects of the supply chain;

• provide adequate protection for whistle-blowers.
